

# SESETTY PUJITHA

Coding Excellence: Bridging the Digital Frontier

## CONTACT

Phone : 8143711165

Email : pujithasesetty@gmail.com

Address : Vishakhapatnam , Andhra Pradesh

## LANGUAGES

- English
- Telugu

## EDUCATION

### BACHELOR OF TECHNOLOGY

NSRIT COLLEGE 2021 - 2025

- Pursuing Computer Science Engineering Course .

### HIGHER SECONDARY CERTIFICATE

NARAYANA JUNIOR COLLEGE 2019 - 2021

- Completed higher school with 88% aggregate.

### SECONDARY SCHOOL CERTIFICATE

VIGNAN'S HIGH SCHOOL 2018 - 2019

- Completed higher school with 87% aggregate.

## PROFILE INFO

- Passionate Computer Science Engineer adept at problem-solving and programming. Eager to leverage theoretical knowledge and practical skills to contribute effectively in dynamic software development environments.
- Strong communicator with a commitment to continuous learning and innovation.

## SKILLS

### TECHNICAL :

- Programming (Java, Python, C++) : Proficient in writing clean, efficient code in multiple programming languages.
- Data Structures: Sound understanding of fundamental data structures such as arrays, linked lists, stacks, queues, trees, and graphs.
- Algorithms: Familiarity with common algorithms and their implementations.
- Database Management (MySQL, MongoDB): Familiarity in designing, querying, and managing relational databases as well as NoSQL databases.
- Web Development (HTML, CSS, JavaScript): Knowledgeable in frontend web technologies for creating interactive and responsive user interfaces.

### DOMAIN:

- Effective Communication: Ability to convey ideas clearly and concisely, both verbally and in writing.
- Team Collaboration: Skilled in working effectively as part of a team, contributing ideas, and supporting team members to achieve common goals.
- Problem Solving: Adept at identifying and analyzing complex problems, and developing innovative solutions.
- Time Management: Strong organizational skills with the ability to prioritize tasks effectively and meet deadlines.
- Adaptability: Flexible and quick to adapt to changing environments, technologies, and requirements.

## ACHIVEMENT

- Certified in MS-CIT, demonstrating proficiency in essential computer skills and office applications.
